The GRIZZULL

1961

raduating, we the Seniors of '61, respectively and with great pleasure present to you the GRIZZLY.

emote in our mind is the idea of dedicating this book to one person. Instead planted in our hearts is the thought of making this production a monument to all America.

nspired by the desire to symbolize the responsible and vigorous youth, we endeavored to create a book which would have special reminiscences for those who adorned its pages.

ealously, we strived to develop a piece of work to honor the soil tiller, the backbone of our country. We grasped the idea of making this yearbook a token of respect to our pertinacious forefathers who planted and cultivated the many fruits of freedom so that we might live prosperously in an indivisible nation, under God.

estfully we physically nourish our bodys with nature's bounty. Everything needed for survival may be secured from within the earth's crust, on the earth, or in this land of varied and equal opportunities.

oving the vision of America, the land of the free and the home of the brave; cherishing the sight of Old Glory unfurled in a zepher; and knowing that as we enter the harbor of New York City the Statue of Liberty will greet us; we pledge ourselves to preserve, protect, and defend the constitution of The United States. This is

our binder of the GRIZZLY. Take it; thumb through its pages; and enjoy the relished moments captured within its contents.

That variety is the spice of life is a true saying! To give diversity to our school paper, several additions have been made. The name was changed from the HIGHLIGHTS to the MAROON AND WHITE ECHO; twice as many publications were edited; advertisements were sold to patrons; and, a girl and boy of the month were chosen by the faculty.

Forty-four members of the Senior Class left Bluff City High School December 26 at 3 A.M. to spend a fun-filled week in Daytona Beach, Florida. They traveled by a chartered Trailways bus and stayed at the luxurious, ocean front Carousel Beach Motel. Points of interest toured were the Sea Zoo, Boardwalk, Silver Springs, Botanical Groves, Marineland, and St. Augustine. To conclude the week, they enjoyed a moonlight beach party. All this plus a wonderful trip back home provided a most unforgettable experience in the lives of those who went.
